REGISTRATION:

\$60 registration fee per student (returning 2nd - 8th grade); \$80 per student for 1st graders and 9th - 12th graders; \$25 Kindergarten students (who have older siblings already enrolled in CCA); \$100 for new to CCA students (K-12th).

Registration Fees are due August 1, 2024 if *Re-Registration Application* is turned in on or before February 13, 2024. If application is turned in after February 13, 2024, then all registration fees are due at the time of registration. Registration payments received after August 10th will be assessed a late fee of \$10 per student. There will be a \$25.00 fee assessed if a family re-registers and then decides to withdraw from the program. (This is to prevent us from saving a spot for a family, turning others away, only to have the spot open up later in the summer. Grace extended if unforeseen change occurs.)

TUITION: 2024/2025 MEMBERSHIP TUITION:

- \$70 per month per family (new or returning)

For your convenience, the year's tuition is split into 10 monthly installments, which are due on the first of the month, September through June. A late fee of \$10 will be assessed if payment is not received by the 10th of each month or the date of our monthly meeting (whichever is later).

Please record your responses to the following questions:

(Feel free to elaborate on any questions, using a separate sheet of paper if needed.)

1) Describe your family's plan or present expectation regarding the time frame for your home school. One year? Two years? Through 8th grade? High School?

2) Please list the name of the church you are regularly attending. How long have you been attending?

3) As we pray regarding next year's program, is there something that you would like to relay to us for our consideration?

4) Do you see areas/gifts/talents/strengths that you or your spouse might be able to bring to CCA? Together we are strong when each does a small part. What might you both bring?

5) Academy Day - if offered for 10 weeks in the fall, is this something you think your family would like to participate in? Are you or your spouse available to help teach a class? Or, available to help with childcare so others can teach? Do you have any ideas regarding classes? Please share with us your thoughts.
